

# Tea Auction Report 2021-22

**40th Auction held on Monday, 14 February, 2022 at Chattogram Auction Center**

**Leaf & Dust:** 43,705 packages of Leaf and 10,311 packages of Dust were advertised for sale.

**Brokens:** Clean Brokens which were small in quantity sold well at slightly easier rates but all others met with a selective demand and where sold recorded a drop of Tk.5/- to Tk.7/-. However, there were several withdrawals in this category. BLF teas witnessed slightly more demand and prices were about firm.

**Fannings:** Likewise, few clean ones on offer met with quite strong competition and were often touch dearer. All other varieties eased in line with quality and there were also fairly heavy withdrawals. BLF teas witnessed slightly more demand and prices were about steady

**Dust:** Dusts on offer met with good demand. Good liquoring Dusts sold well at around last levels. Their medium Dusts witnessed fair competition and were firm on last. Plain and BLF Dusts were less in demand and prices were once again a little easier with fair withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers

**Comments:** Offerings comprised of mostly plain and end of season varieties which met with only a fair demand. Blenders were again active whilst there was touch more support from the Loose tea buyers. Owing to the sale of a larger proportion of lower priced teas, average price realisation was considerably lower than last. Dusts were an easier market.
