

Tea**Auction Report 2022-23**

2nd Auction held on Monday, 9th May, 2022 at Chattogram Auction Center

Leaf & Dust: 17,900 packages of Leaf and 3,984 packages of Dust were advertised for sale.

Brokens: Well made Brokens met with a good demand but at lower rates often declining by Tk.10/- to Tk.20 and these mostly realised prices between Tk.220/ and Tk. 225/-. Smaller Brokens were well supported particularly the brighter varieties but were easier by upto Tk.20/- fetching between Tk.218/- and Tk.227/-. There were few withdrawals. The remainder particularly lower Medium types met with much less demand and sold between Tk.205/- and Tk.215/-. Plain varieties met with some demand and these could be quoted between Tk.180/- and Tk.195/-. There were several withdrawals. BLF teas met with a fair demand but at much lower rates often declining by up to Tk.15/- and these sold between Tk.130/- and Tk.145/- with fair withdrawals.

Fannings: Good liquoring Fannings were in good demand but prices eased by upto Tk.20/-. These sold between Tk.220/- and Tk.225/-. Medium varieties met with a similar trend and these fetched between Tk. 210/- and Tk.218/-. Plain types met with only some interest and mostly sold between Tk. 175/- and Tk.195/-. There were several withdrawals. BLF teas were discounted further and where sold recorded prices between Tk. 130/- and Tk. 145/- with fair withdrawals.

Dust: Dusts on offer met with good demand. PDs and RDs saw a decline in levels. A fair weight of plain PDs and RDs which also included BLF were out-listed. However, Ds and CDs met with better demand and sold well although at slightly easier rates compared to Sale 01. Both Blenders and Loose tea buyers were fairly active on Dust market.

Comments: There was less interest in this week's sale from Loose tea buyers which impacted on the overall price realisation in this auction. Well made bright teas were quite well absorbed although at lower rates but other varieties often were difficult of sale. Blenders lent only fair support. Dusts sold well.
