

Tea	Auction Report 2022-23																																																																																																																						
4th Auction held on Monday, 23rd May, 2022 at Chattogram Auction Center																																																																																																																							
<p>Leaf & Dust: 27024 packages of Leaf and 6923 packages of Dust were advertised for sale.</p> <p>Brokens: A few well made good liquoring Brokens were in fairly good demand and were mostly firm to dearer with competition. Smaller Brokens backed by bright liquors met with fair demand but were easier often by Tk.5/- to Tk.7/- but there were some withdrawals in this category. Other small Brokens met with less demand and were easier with quality often by Tk.8/- to Tk.10/-. There were fair withdrawals in this category. Medium types witnessed only fair demand and were easier by upto Tk.10/-. Plain varieties saw further decline in demand and were much easier than last often by Tk.9/- to Tk.11/-. BLF teas met with fair demand and prices were about steady but there were some withdrawals.</p> <p>Fannings: A few well made good liquoring Fannings saw fair demand but were easier by Tk.7/- to Tk.10/-. Medium varieties saw less demand and declined by upto Tk.10/- and there were more withdrawals in this category. Plain types met with a little demand and where sold recorded a drop of Tk.10/- to Tk.12/- with heavier withdrawals. BLF teas saw fair interest and were about steady.</p> <p>DUST: Dust on offer met with good demand. Well made good liquoring Dusts were well supported and were firm on last. Medium Dusts met with good demand and sold around last levels. Plain and BLF Dusts met with some demand but prices eased by Tk.5/- to Tk.8/- following quality. There were fair withdrawals in this category. Blenders lent strong support with fair interest from the Loose tea buyers.</p> <p>Comments: There was less interest from the buyers in this week particularly from the Loose tea trade and as a result, rates dropped for all varieties particularly the high priced teas. However, a bright feature of the sale was the strong interest for well made and good liquoring BOPs which were often dearer following competition. Withdrawals in this week's sale were heavier than last week particularly in the Leaf catalogue. Dusts sold well.</p>
