

Tea Auction Report 2022-23

Quotations

This Week – (In Taka)

22nd Auction held on Monday, 3rd October, 2022 at Chattogram Auction Center

Leaf & Dust: 49,857 packages of Leaf and 10,937 packages of Dust were advertised for sale.

Brokens: All well made good liquoring Brokens were again a stronger market and prices appreciated further by Tk.5/- and more following competition. Good varieties sold well at firm to slightly dearer rates in line with quality. Medium varieties met with a fairly good demand and sold at around last levels. Browner Plainer types were again a selective market and were mostly easier in line with quality with fair withdrawals. BLFs once again met with less demand at around last levels with fair withdrawals.

Fannings: Best liquoring Fannings continued to meet with a strong demand and were dearer by Tk.5/- and more following competition. Good and medium varieties also sold well at mostly firm to occasionally dearer rates. Plainer types met with limited interest only and were mostly easier following quality with fair withdrawals. BLFs once again met with less demand at around last levels with fair withdrawals.

Dust: Dusts on offer met with good general demand. Good liquoring Dusts sold well at around last levels. Their Mediums tended slightly dearer with competition. Plain and BLF Dusts witnessed a decline in price levels with more withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers.

Comments: There was a slightly larger weight of browner, plainer varieties which met with a selective demand and witnessed fair withdrawals. However, a handful of good and best liquoring types continued to attract more competition this week and prices appreciated further. Blenders were more active whilst Loose tea buyers lent less support. Good liquoring Dusts met with more competition.
