

Tea Auction Report 2022-23

Quotations

This Week – (In Taka)

30th Auction held on Monday, 28th November, 2022 at Chattogram Auction Center

Leaf & Dust: 58,775 packages of Leaf and 12,824 packages of Dust were advertised for sale.

Brokens: The best varieties were well supported and were fully firm whilst good types met with a stronger demand and advanced in price following competition. There was also quite a fair demand for the Medium varieties which were generally steady. Plain teas saw a little more demand at around last levels. There was better disposal of BLF varieties at last levels with less withdrawals.

Fannings: Best Fannings continued to attract strong demand at around firm rates. Good varieties saw stronger demand with prices appreciating further. Medium types were well absorbed at steady levels. Plain varieties saw a little more demand and were about steady with fewer withdrawals. BLF teas had a better sale at steady rates.

Dust: Dusts on offer met with good demand. Good liquoring Dusts fetched firm to occasionally dearer prices. Mediums sold well at around last levels. Plain and BLF Dusts were once again an easier market and saw fair withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers.

Comments: Blenders operated very strongly across the board especially on bright liquoring varieties. Loose tea buyers were not as active as in the last week. Dusts sold well.
