

**Tea****Auction  
Report 2022-23**

**3rd Auction held on Monday, 16th May, 2022 at Chattogram Auction Center**

**Leaf & Dust:** 25410 packages of Leaf and 6557 packages of Dust were advertised for sale.

**Brokens:** Well made good liquoring Brokens met with a good demand and sold well but prices were easier by Tk.6/- to Tk.8/- and prices for these ranged between Tk.212/- and Tk.217/-. Smaller Brokens met with a similar trend and eased by upto Tk.12/- and these realised rates between Tk.207/- and Tk.214/-. However, there were a few withdrawals in this category. Medium types once again met with less demand and often declined by Tk. 12/- to Tk.14/- and prices for these ranged between Tk.195/- and Tk.200/-. Plain types met with much less demand and sold between Tk.175/- and Tk. 185/- and there were heavy withdrawals in this category. BLF teas met with some demand but prices again declined quite sharply and these sold between Tk.125/- and Tk.140/- with quite a lot of withdrawals.

**Fannings:** Good liquoring Fannings were well supported but prices dropped by Tk.10/- to Tk.12/- and prices ranged between Tk. 212/- and Tk.220/-. Mediums were in less demand and declined by upto Tk.15/- and sold between Tk.197/- and Tk.204/-. Plain types were discounted further and often sold between Tk.175/- and Tk.182/- with quite heavy withdrawals. BLF teas saw fair decline in price and could be quoted between Tk.128/- and Tk.140/- with quite a lot of withdrawals.

**DUST:** Dust on offer met with good demand. Good liquoring varieties sold at irregularly easier market. Medium Dusts met with fair demand and were further discounted with a few withdrawals. Plain and BLF categories met with less demand at easier rates with several withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers.

**Comments:** There was only a handful of bright liquoring teas backed by neat appearance which elicited good demand and were generally steady to touch dearer. All others met with a discriminating market and recorded a fairly sharp drop in price following quality. Blenders lent a fair support whilst there was some interest from the Loose tea buyers for selective lines. Dusts were an easier market.
