

Tea	Auction Report 2022-23																																																																																																																						
10th Auction held on Monday, 4th July, 2022 at Chattogram Auction Center																																																																																																																							
<p>Leaf & Dust: 41020 packages of Leaf and 11926 packages of Dust were advertised for sale.</p>																																																																																																																							
<p>Brokens: : Best Brokens met with slightly improved market and tended dearer following competition. Good Brokens met with a fairly good demand and were about steady. Medium and other varieties also met with a fairly good demand and were a little easier in line with quality. BLF teas met with a fair demand and sold at around last levels with a few withdrawals.</p>																																																																																																																							
<p>Fannings: Best Fannings met with a good demand and mostly sold at around last levels. Good Fannings were a little easier market in line with quality. Medium and plainer types once again met with fair demand and were slightly easier. BLF teas met with a fair demand and sold at around last levels with a few withdrawals.</p>																																																																																																																							
<p>DUST: Dusts on offer met with good demand. Good liquoring Dusts sold at irregular prices with select lines selling at firm to slightly dearer rates. Their Mediums met with fairly good demand and were about firm on last. However, plain and BLF Dusts were an easier market and witnessed fair withdrawals. Blenders lent strong support with fair interest from the Loose tea buyers..</p>																																																																																																																							
<p>Comments: It was evident throughout the sale that buyers were closely following quality and all well made good liquoring types were well sought after and sold at dearer rates. Blenders continued to be the mainstay of the market whilst Loose tea buyers showed a little more interest particularly for the best varieties. Dusts sold well.</p>
