

Tea Auction Report 2022-23

Quotations

This Week – (In Taka)

38th Auction held on Monday, 23rd January, 2023 at Chattogram Auction Center

Leaf & Dust: 49,762 packages of Leaf and 12,275 packages of Dust were advertised for sale.

Brokens: A few clean Brokens available met with a stronger demand and were dearer with competition. The good varieties also held firm. Medium types met with fair demand and were a touch easier with some withdrawals. Plain teas, however, were much less in demand and were easier with more withdrawals. BLF teas met with fair demand and withdrawals were a little less.

Fannings: : A small weight of good liquoring Fannings met with a strong demand and were mostly dearer. Good descriptions also met with a fair demand and were steady but tended a little easier with a few withdrawals. Mediums followed a similar market but there were more withdrawals in this variety. Plain teas witnessed only some support and were meeting more withdrawals. BLF teas met with fair demand and withdrawals were a little less.

Dust: Dusts on offer met with a fair demand and sold well. Good liquoring Dusts sold well with Tk.5/- to Tk.10/- lower than last levels. Mediums met with fair demand and sold well. Plain and BLF Dusts also met with fair demand with a few withdrawals. Blenders were active with fair interest from the Loose tea buyers.

Comments: Bright teas continued to attract strong competition and were again a dearer market. Other varieties met with less demand with more withdrawals than last. Blenders were the mainstay of the market with less demand from Loose tea buyers. Dusts sold well with a few withdrawals.
