

Tea Auction Report 2023-24

23th Auction held on Monday, 2nd October, 2023 at Chattogram Auction Center

Leaf & Dust: 71,026 packages of Leaf and 12,123 packages of Dust were advertised for sale.

Brokens: There was a fairly good demand for the best Brokens on offer which were well competed for and often were dearer in line with quality. Other Brokens also met with a fairly good demand but eased a little and there were several withdrawals. Plain types once again witnessed a further decline in prices with heavier withdrawals. BLF teas met with only a little interest with heavy withdrawals.

Fannings: Good liquoring Fannings met with a fairly good demand but were easier in line with quality. All other Fannings saw lesser demand and prices eased further with heavier withdrawals. BLF teas met with only a little interest with heavy withdrawals.

Dust: Dusts on offer met with a good demand. Good liquoring well made Dusts were a slightly dearer market and advanced by Tk.2/- to Tk.3/-. Their Mediums were about steady. Plain and BLF Dusts sold at easier prices in line with quality. There were several withdrawals in this category. Blenders lent good support with fair interest from the Loose tea buyers.

Comments: A small weight of well made good liquoring Brokens were a bright feature of the sale which were well competed for and were sometimes dearer. Others witnessed a fair interest except the plainest varieties which were often neglected. Blenders continued to lend good support whilst there was a little more interest from the Loose tea buyers. CDs were the bright feature of the sale.
